Dear Sir,

TMS GLOBAL MARKETING AGENCY

We are pleased to confirm that we have been working with Mr Tilahun Mekonnen of TMS GLOBAL MARKETING AGENCY for the past eighteen months in the delivery of our 'Passport to Export' programme for international business support and marketing development.

Mr Mekonnen's commitment to the generation of productive partnerships crossing multi-cultural frontiers between Europe and key markets in Africa is self-evident. We are deeply impressed by his business acumen and the care and energy he applies to the highly demanding attention to detail required.

We look forward to continuing to work with Mr Mekonnen in an advisory role and we would wish him continued success.

Yours faithfully,

Robert Hurley,
International Trade Adviser
