Subject: Deep Appreciation and Gratitude

To: Tilahun MEKONNEN

Dear Tilahun,

I hope you're doing well. My name is Kingsley Okojie, and I wanted to take a moment to introduce myself and express my deepest gratitude. You have been more than a lecturer to me—you were like a father figure, a true mentor. Watching you inspired me beyond words, and you helped shape who I am today.

You introduced me to Entrepreneurship and guided me through the world of export management. Every course you taught me and every piece of wisdom you shared made a profound impact on my life. I will never forget you, and I will carry the legacy of your knowledge with me as I grow in my career.

Thank you so much for everything. I hope I can continue to make you proud as I walk this path.

Warm regards,

07349 881931.
